Dear Jonas Hila:

Your request to certify the educational institution, under the name shown above, operating at 203-3509 17 Avenue SE, Calgary, Alberta, T2A 0R6, is approved by the Minister of Employment, Workforce Development and Disability Inclusion, under subparagraph 118.5(1)(a)(ii) of the *Income Tax Act*. This certification is effective as of January 1, 2021, and is subject to review every five years. Please note that you will be required to renew the certification prior to December 31, 2025.

Students may claim the fees paid to the institution for purposes of the tuition tax credit provided that all other requirements for the claim are met. Additionally, students must have attained the age of 16 before the end of the year and the courses or programs supplied must provide the students with sufficient skills to enable them to work or improve their skills in a recognized occupation.

It is important to note that the certification of the institution does not guarantee that the Canada Revenue Agency (CRA) will automatically accept receipts for all courses or programs offered by the institution for tuition tax credit purposes. More information about CRA's Income Tax Folio, S1-F2-C2 Tuition Tax Credit can be found at [www.cra-arc.gc.ca](http://www.cra-arc.gc.ca).

It is your responsibility to advise us of any changes regarding ownership, addresses, contact numbers, and expiry or amendments to business documents, legal registration or provincial licence. Failure to notify us could result in your certification being revoked.
